## CUTE

I feel like  
another  
Paul McCartney  
story  
a face is  
like a sheet  
made  
of cream  
on a pile  
of bones  
a pile of brown  
rocks lying on  
its bed

you think  
I feel sad  
no I hear  
birds the cheers  
of them  
hammering  
teasing the night  
a cat cleans  
her leg with  
her mouth  
a dog lies  
still I'm  
like that dog  
cept

I'm writing  
so I guess  
I'm licking  
too. Here,  
here,
